

## OUTLOOK EXPRESS

Odaberite Tools, Accounts.

Otvori se prozor Internet Accounts. Potrebno je odabrati tab Mail. Odaberite račun za hamradio poštu i na desno odaberite Properties.

Otvori se novi prozor. Pod postavke Servers promijenite polje incoming mail (POP3) tako da piše **pop.gmail.com** i polje outgoing mail (SMTP) da piše **smtp.gmail.com**

Iza toga klik na Advanced.....i podesite sve kao na slici.
